Intern for Business Development Projects

Business Development | Berlin
We are Wimdu, an awesome start-up headquartered in the heart of Berlin! Initially funded with $90 million, Wimdu has grown to host over 235,000 properties in over 100 countries, connecting guests and hosts worldwide. We are on track to become Europe’s leading marketplace for private accommodation offering an authentic travel experience for those looking for a smart alternative to hotels. Wimdu has the vision, the passion and the drive to succeed and we’re now looking for motivated folks to join our multi-talented, international crew that makes it all happen!

Are you an analytical, fast-thinking, top-of-the class student and want to become a founder? Do you enjoy working in an international environment and seek to be involved in developing our worldwide success? If so, join our team and get to know different fields like Business Intelligence, Marketing, and Strategy, depending on your area of interest and expertise.

Your Tasks:

- Building up a new travelling concept, while supporting the management team to develop different parts of the company
- Assist with strategic, conceptual and operative projects
- Support with defining new functionalities and the optimization of business processes
- Prepare and execute competitive market analysis
- Help with the analysis and planning of new business concepts
- Support the team with search engine optimization and online marketing

Your Profile:

- You’re a super cool, easy-going dude or dudette, and fun to work with
- You are able to analyze complex situations independently, and offer good advice to the rest of us
- You have experience in working under pressure in a fast-paced, rapidly changing environment (preferably gained within a consulting, banking or start-up context)
- You have excellent English and communication skills
- You have an entrepreneurial spirit and are always eager to learn more

Our Offer:
As part of the team of a successful and lively start-up, you push towards challenging tasks and build up important Know-how. In addition, we offer you an exclusive working place located in the heart of Berlin and the chance to participate in different training workshops, such as the Wimdu Academy, and other special events. Be a part in the evolution of a rapidly growing start-up with innovative concepts and benefit from flexible structures, flat hierarchies and motivated colleagues!
